

NWOCTA CHAPTER MEETING
MARCH 7, 2020
10 AM TO 4 PM
PIONEER COMMUNITY CENTER
615 5th St.
OREGON CITY, OR

Welcome to our first meeting of 2020. We have a lot of ideas to cover in the Business Meeting that will start at 10 am. We will be introducing several new members of the Leadership Committee and exploring our plans for this next year. The program will include fun as well as work.

Marge Harding will present a special program for us that afternoon titled "She cried: BUT I DON'T WANT TO MOVE OUT WEST". This is about a lady in the 1800's telling her experience of her arduous journey west. She shares the stories of others she meets along the way. She is a combination of many people who left their homes in the East to start a new life. Along with her experiences and those of others, she discusses the social guidelines and requirements of the time.

Please plan to bring your own lunch and any other drinks besides coffee and tea. Marge will provide the coffee and tea for us.

Plan to drive to the Parking lot behind the Community Center located at the corner of 6th and Washington St. There is a door at the front of the building on 5th St., but it is locked, and you must enter from the parking lot side of the building

We will be conducting our Raffle after the presentation, and we do need items to raffle. Anyone arriving early (by 9am) will be ushered in to help us set up the meeting room.

Please bring some ideas for field trips that you would like the Chapter to provide. And we welcome new ideas on how to keep our chapter members interested in preserving the trails.

See you in Oregon City.
